## NOTICE

### TRANSPORTATION MASTER PLAN

### ACTIVE TRANSPORTATION QUESTIONNAIRE

---

The Township of Severn is undertaking a Transportation Master Plan study to assess the short, medium and long-term transportation needs of the Township for a 20 year period. The plan will address roads, bridges, sidewalks and trails for vehicles as well as other modes of transportation, including active transportation requirements and linkages, including pedestrians, bikes, walking trails and accessibility transportation issues.

The Township of Severn is looking for feedback on bike lane and sidewalk locations, if off-road bike paths or on-road bike lanes are preferred and where paths should be created as part of the Transportation Master Plan for the municipality. Your input would be appreciated and will help provide direction to the municipality for future transportation routes to connect the communities throughout the Township.

The Questionnaire is available on the Township of Severn web site or forms can be picked up at the Administration Office -1024 Hurlwood Lane, the Coldwater and Washago Community Centres and the Coldwater Library.

Please complete and forward to Director of Planning and Development by Friday, April 20<sup>th</sup>, 2012.
