

Dear Customer:

### BOIL WATER ADVISORY – WASHAGO

Please be advised that due to a water main break, a boil water advisory has been issued **JUNE 26, 2018**, beginning at 4:00 a.m. and will remain in effect until further notice. System pressure **should** be restored June 26, 2018 before 4:00 PM, Boil Water will remain in affect till further notice.

A boil water advisory has been issued for YOUR safety. Boil water rapidly for a minimum of one (1) minute before use.

Water for consumption must be boiled. This includes but is not limited to:

- Personal hygiene
- Brushing teeth
- Handwashing
- Food preparation
- Drinking water
- Hand washing of dishes
- Water supply for household animals

Showering for adults and teens in water that has not been boiled is acceptable. Children should be sponge bathed or showered with a hand held showerhead, avoiding the face. Dishwashers with a hot setting are safe for use. Laundry can be done with water that has not been boiled.

When in doubt, use boiled water.

You may experience discoloured water during this time.
