

# COLDWATER ROAD STREETLIGHT POLE REPLACEMENT

The Township of Severn will be replacing the decorative streetlight poles along the main street of Coldwater. Construction will begin November 19, 2018 and is estimated to be complete by December 3, 2018. The work includes reinstatement of all attached fixtures excluding BIA banners which will follow under a separate project in early December, 2018

Hours of work will be Monday to Friday from 7 AM to 5 PM

Temporary sidewalk closures and parking lane restrictions will occur. Access to property may be restricted for short durations, the Contractor will coordinate individual restrictions
