

Please Join Us at the Annual Community Clean-Up of Fairgrounds Road

**Saturday, April 29th, 2017 at 9:00 am
Rain or Shine!**

**Meet your neighbours and friends of the earth at the
Roller Rink parking lot.**

Specially marked bags, gloves and high-vis. traffic vests provided.

Celebrate Earth Week by joining your fellow citizens across Canada and cleaning up garbage and recyclables along our roadways, trails, parks and shorelines.

Severn Township is supporting this initiative by picking up trash placed in **specially marked bags** and trucking it away on our normal garbage day.
