

Township of Severn
Black River Bridge Rehabilitation
CONSTRUCTION NEWSLETTER – July 2019

Residents and business owners located on Irish Line and the surrounding area of the Township of Severn are advised the Township of Severn (Township) is proceeding with the rehabilitation of the Black River Bridge located on Irish Line, between Ellis Road and S. Riverside Drive.

Who has been awarded the construction contract?

The Township has awarded the construction contract for the rehabilitation of the Black River Bridge to McPherson-Andrews Contracting Limited.

When will the work happen?

Construction for the rehabilitation of the Black River Bridge will commence during the week of July 2, 2019 and will be completed by November 30, 2019.

How will my home or business be affected?

To facilitate the bridge rehabilitation work, it will be necessary to implement a single lane detour across the bridge with traffic being managed using temporary portable traffic signals. Appropriate construction signage will be in place to direct traffic during construction. At no time will the bridge crossing be closed to vehicle or boat traffic.

Who do I call if I have a question or concern?

If you have any questions regarding the project, please call or email the Township's consultant, Planmac Engineering Inc. using the below contact information.

Brad Kalus, C.E.T., LEL
Senior Project Manager/Contract Administrator
