

# This Earth Day, Pitch In!

**Township of Severn  
Pitch-In Week  
April 22-29, 2018**

---

Join hundreds of thousands of Canadians this year as they celebrate Earth Day by cleaning up trash along roadways, trails, parks and shorelines in their communities.

The Township of Severn is supporting this initiative by picking up trash in **specially marked Pitch-In bags** available to you at the Township office.

- Bagged trash will be picked up on your normal garbage day and must be left by the roadside before 7 a.m.
- Please **group bags together** for ease of pickup and **separate recyclable cans and bottles**. Bags must be placed along regular garbage routes.
- Please **do not include any bulky items** – waste contractors will not pick them up.

**ONLY SPECIALLY-MARKED PITCH-IN BAGS WILL BE PICKED UP.**

On behalf of Severn Township's Mayor and Council, we thank you for giving back and helping keep our communities clean!
