Customers in the Coldwater Area

Please be advised that the scheduled watermain swabbing in your area has been completed.

Discoloured water may still be present in the watermain and/or your household lines. We recommend you run your taps for 15-30 minutes or until the water runs clear.

If you would like more information, call us at (705) 325-2315, or send an email at adrouin@townshipofsevern.com.

We appreciate your understanding and co-operation in this matter.

Regards,

Anthony Drouin
Utilities Supervisor
