Starting in 2001, property tax relief for vacant commercial and industrial buildings will be provided to property owners through rebates that are issued by municipalities. This new rebate program is governed by section 442.5 of the *Municipal Act* and Ontario Regulation 325/01.

This bulletin describes the types of properties that are eligible for rebates, the application procedures, the method for calculating rebates, appeal mechanisms, and key deadlines.

To be eligible for a rebate, a building or portion of a building must satisfy the conditions described below.

Buildings that are Entirely Vacant

A whole **commercial or industrial** building will be eligible for a rebate if the entire building was unused for at least 90 consecutive days.

Buildings that are Partially Vacant

A suite or unit within a **commercial** building will be eligible for a rebate if, for at least 90 consecutive days, it was:

- unused; and
- clearly delineated or physically separated from the used portions of the building; and
- either → capable of being leased for immediate occupation, or
→ not capable of being leased for immediate occupation because it was undergoing or in need of repairs or renovations or was unfit for occupation.

A portion of an **industrial** building will be eligible for a rebate if, for at least 90 consecutive days, it was:

- unused; and
- clearly delineated or physically separated from the used portions of the building.

Exclusions

Leased Property: Buildings or portions of buildings that are vacant but are leased to a tenant are not eligible for a rebate.

Vacant Land Sub-Class: Buildings that are included in a vacant land sub-class (e.g. new buildings that have never been occupied) are not eligible for a rebate.

APPLICATIONS -- CONTENTS AND PROCEDURES

Property owners (or their authorized representatives) must submit an application to their local municipality in order to receive a rebate. Application forms may be obtained from local municipal offices.

Deadline for Submitting Applications

The deadline to submit applications for a tax year is **February 28** of the following year. (For example, for the 2001 tax year, the deadline to submit applications is February 28, 2002.)

However, if a property owner receives a notice of omitted assessment from the Municipal Property Assessment Corporation (MPAC) after a tax year, the deadline to submit an application for a rebate is 90 days after the date of issuance of the notice of omitted assessment.

Number of Applications

Property owners may submit a maximum of **two** applications per property per year. Specifically, they may submit either:

- one application in respect of all vacancies that occurred on a property during the entire tax year;
- or --
- one application in respect of the vacancies that occurred during the first six months of the year and a second application for vacancies that occurred during the last six months of the year.

Contents of Applications

At a minimum, rebate applications must contain the following information:

- name of property owner (and name of owner's representative if the application is made by an authorized agent on behalf of the owner);
- municipal address of property;
- roll number of property;
- dates of vacancy;
- description of vacant portion of property (suite number and floor number or description of location within building); and
- size of vacant area in square feet.

The municipality or MPAC may contact an applicant to request further information to assist in verifying eligibility or identifying the vacant area.

Processing Applications

Applications will be processed through the following steps:

1. Property owner or authorized representative submits an application to the local municipality.
2. Municipality forwards a copy of the application to MPAC.
3. MPAC determines the assessed value that is attributable to the vacant area.
4. MPAC notifies the municipality of the value of the eligible vacant property.
5. Municipality calculates rebate and notifies property owner. Rebates may be issued as a credit against an outstanding tax liability or through direct payment to the property owner.
