

Notice of Project
and
Public Information Centre
for the Rehabilitation of the
Black River Bridge on Irish Line
Township of Severn, County of Simcoe

The Project

Planmac Engineering Inc. (Planmac) has been retained by the Township of Severn (Township) to undertake the Detailed Design for the rehabilitation of the Black River Bridge (Structure B16), located on Irish Line, Lot 17, Concession 1, approximately 0.1 km south of Ellis Road, in the Township of Severn (formerly known as the Township of Matchedash), County of Simcoe (refer to below key map).

The Process

This Detailed Design project is following the planning and design process for Schedule 'A+' projects as described in the Municipal Class Environmental Assessment Document (October 2000 as amended in 2007, 2011 & 2015), published by the Municipal Engineer's Association.

Public Information Centre

A Public Information Centre (PIC) has been arranged to introduce the Project and to present the design for the rehabilitation of the Black River bridge. The PIC will be held before the regularly scheduled Planning Committee meeting on January 16, 2019, with a presentation being delivered shortly after 7:00 p.m. Engineering drawings will be available for review at the PIC. Representatives from the Township of Severn and their Consultant (Planmac Engineering Inc.) will be on hand to answer individual questions in a one-on-one format. Members of the public and stakeholders are invited to attend the PIC, which will be held as follows:

Date: Wednesday, January 16, 2019
Time: 5:00 p.m. to 7:00 p.m.
Location: Township of Severn Municipal Office, 1024 Hurlwood Lane, Orillia ON L3V 6J6

Public consultation is vital and key to the success of this project and the Township of Severn wants to ensure that anyone interested in this project can get involved and provide input. Therefore, you are encouraged to either attend the PIC or review the materials that will be available on-line at www.townshipofsevern.com on or after December 21, 2018. The design team would appreciate receiving Public input and comments on or before February 8, 2019. Comments can be sent to either of the Contacts listed below.
