

Tender # REC-2018-01

ADDENDUM #1

Issued June 14, 2018

This Addendum is issued to clarify the above Tender regarding Hedgemere Landing:

- 1) The silt curtain shown on Drawing 17057-03 is to be non-woven geotextile, of suitable depth with a continuous top floatation system and continuous, heavy chain bottom anchor.
  
- 2) The silt curtain shall be placed first along the edge of water by at least two persons. The installation shall proceed carefully from the edge of water and slowly move out in a manner that all fish are pushed out of the work area by slowly expanding the area of the silt curtain. Continue expanding the silt curtain to the final limits as shown on the drawings.
