

TOWNSHIP OF SEVERN

ADDENDUM #3

CHRISTMAS LIGHTING DISPLAYS

PW RFQ 2019-022

Date Issued: 7/15/2019

Township of Severn
1024 Hurlwood Lane
Orillia, ON

OVERVIEW

This Addendum is issued to clarify the above Tender regarding Christmas Lighting Displays:

Changes and Additional Information

1. Train Displays are to be 2D.
2. Train Displays should not go beyond 10 feet in height.
3. Train Displays daytime visibility – there should be some.
4. Response Form has been updated to reflect changes from Addendum #2 – snowflakes to wreaths.
5. The roof of the Coldwater Library was designed for snowloads of the area. If there is a concern about the weight of the rope/channel lighting – please notify us ahead of the closing.
6. Approximate height of the Coldwater Library to the eaves is 12 feet.
7. Cool versus warm lighting – state cool and specify that warm is also available where applicable.
